Owatonna Early Edition Rotary is a group of vibrant, committed members, well-connected throughout Owatonna, who come together with a can-do spirit and embody an attitude of getting their hands dirty to better the community and the world through a variety of activities and projects.

The group meets every Tuesday morning for breakfast at the Kitchen. While enjoying fellowship, we get the experience of listening and participating with speakers from the community representing such areas as industry, government, healthcare, and education.

The commitment includes coming to meetings as well as practicing the Fourway Test Basics of Rotary at your business and in your everyday life. Rotary is a fun way to meet fellow energetic, committed business people who share a passion to help others in need while conducting their lives in a highly ethical and professional manner.

Speaker

Arlin Leder, Past President of the Owatonna R/C Modelers Club, talked about his organization. The club was founded in 1986, and now flies out of a 7.5 acre field South of Town. (Latitude N 44 deg - 01 min - 61.4 sec, Longitude W 093 deg - 17 min - 28.0 sec, to be exact.) You can find out more about the club at their website, <http://www.owatonna-rc-modelers.com>

Thanks, Arlin, for an informative presentation.

Rotary Minute

Rotary International is the spearheading member of the Global Polio Eradication Initiative and is the largest private sector donor. It has contributed more than US\$600 million to the polio eradication activities in 122 countries. In addition, tens of thousands of Rotarians have partnered with their national ministries of health, UNICEF, the World Health Organization, the U.S. Centers for Disease Control and Prevention, and with health providers at the grassroots level in thousands of communities.

Did you know that . . .

- * Polio is a highly infectious disease that primarily affects children under the age of three and can cause paralysis within hours.

- * Before eradication efforts began in 1988, polio paralyzed more than 1,000 children a day, which totaled about 350,000 children annually. The incidence of polio has since declined by more than 99 percent.

- * Vaccinations easily can stave off polio. Vaccinations have prevented an estimated 500,000 children per year from contracting polio. A child can be protected against polio for as little as 60 cents (US) worth of vaccine.

- * Only four countries are still polio endemic — an all-time low: Nigeria, India, Pakistan, and Afghanistan.

Candidate Forum Update

A 3rd forum has been added, on October 16, from 11:30 – 1:30. The County Commissioner and Sheriff races will be highlighted.
